

## Is your church or small group looking for a place to serve?

Consider one of the many ways you can  
support Palmer Home for Children.

**PALMER HOME**  
FOR CHILDREN

## PRAYER

As Palmer Home for Children seeks to rescue children and restore hope in their lives, nothing can help more than your prayerful support. The prayers of your family, church, and community are essential in our efforts to show these children the love and grace of Jesus.

## MISSION TEAMS

Volunteer teams are always welcome at the Palmer Home for Children campuses in Columbus and Hernando, Mississippi. If your mission team or small group wants to donate time and energy, there are many large-scale opportunities ranging from construction to campus maintenance.

## CAREGIVERS

Each Palmer Home for Children campus has available caregiving opportunities. If you and your family feel called to care for children in need, consider a role as a relief or full-time caregiver.

## SUPPORT

Palmer Home for Children accepts no state or federal funding — we operate solely on the generosity of donors, like you. Your gifts allow us to continue serving the children entrusted to our care while seeking to rescue more children in need of restoration.
